<b>Name: VIRUS 8500 COVERALL</b>	<b>Code: MC3439K1</b>	<b>MC34 CHEMICAL PROTECTION DISPOSABLE CLOTHING</b>
----------------------------------	-----------------------	---

**Description**

Tear resistant, mechanical protection coverall in polypropylene coated with a breathable microporous film, offering protection from dust and limited mists. Its material offers protections against infectious agents. It features a zipper closure with flap and elastic hood, cuffs, waistband and ankles.

- Made of a soft and resistant material
- High protection, resistant and breathable
- Resistant to splashes, including inorganic liquids and fine dusts
- Antistatic treatment
- Hygienic, because it does not lose fibres
- Latex free

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
